Dear Soroptimist sisters in SI Strand, dear Unn and Gina

This year I am a member of our friendship links committee, therefore I have the honor to bring Christmas Greetings to you and your clubmembers.

We already had our Christmas meeting, December 1<sup>st</sup>, we enjoyed being together, had a nice dinner at

Schackenborg Slotskro. We had a game with presents and have fun in making Christmas hearts.

It was a very nice and cosy evening.

Since we (or Lisbeth) wrote our summer letter for you in July, we in our club, have had a lot of great experiences I will summary a little about our activities.

At our meeting in September our Union Programme Director gave us ideas and advices about how to manage projects in our club.

We had flea market September 10<sup>th</sup> and at September 9<sup>th</sup> we again, helped to distribute the yearly newspaper Worlds Best News, news about how close we are UNs goals for a better world. <http://verdensbedstenyheder.dk/>.

October 1<sup>st</sup> six clubsisters participated in the charter ceremony for the new club SI Rødding-Gram-Toftlund, there is 19 members, 19 wonderful and active women. 1<sup>st</sup> Vice President Sigrid Ag, Norway gave the Charter. It was a wonderful and perfect day with more than 170 participants the Charter Ceremony was held at Gram Castle. I have enclosed pictures and thanks from clubpresident Anne-Mette Frandsen.

October 7<sup>th</sup> we in SI Tønder arranged once again, an International culture evening for Women. This year around 110 women participated and again we had an evening full of joy and fun. At the photo you can see some of the wonderful dishes the women brought along for the party.

At our club meeting in November we visited the local language school and the teacher challenge us when she started to speak Estonian, and we had to learn the language☺

We still have some women from Syria who come to us and get help for their homework in Danish, we enjoy being together with these hard working women. Danish is difficult to learn. We have these meetings at Tønder community center every Monday.

At last we will ask you, if you have any plans for friendship visits this year? In SI Tønder we have no intention to invite for a friendship weekend in Tønder in 2017. Perhaps some members will meet each other for the SIE Congress in Florence in July.

We wish you, your clubsisters and families all the best, Merry Christmas and Happy New Year.

Loving Regards  
On behalf of SI Tønder  
Ruth Ørbæk Petersen
